

Phenix City Express (PEX) Transit Complaint Procedures

During the normal course of providing service to the community, it is possible that passengers and/or members of the public will desire to lodge complaints about the quality of transit service offered or the manner in which transit service is delivered. Every effort will be made to handle these issues quickly, courteously and fairly. All employees are reminded that everyone in the community has the right to express concerns about transit operations. One should also remember that the mere allegation of impropriety, however, does not establish proof that a violation has occurred. Every effort will be made to address and resolve customer complaints as quickly as possible but certainly within fifteen (15) business days.

Specifically, a "complaint" is an allegation by a member of the public that there has been a specific violation, misinterpretation, or inappropriate act by a member of Phenix City Express. Vague or general charges of "unfairness" that are not substantiated by facts will not be processed through the dispute resolution system.

All complaints will be referred to the Transit Director, Phenix City Express for investigation and resolution. Complaints specifically alleging inappropriate behavior by management personnel of Phenix City Express will be referred to the Chief Executive Officer of the Phenix City Express. The following steps are established to provide a framework for handling these issues.

Step One – The complaint is received by Phenix City Express. Sufficient information is collected to allow an investigation and the individual is to be thanked for bringing the matter to the attention of the Phenix City Express. Upon receiving the complaint, we will neither be defensive nor argumentative.

Step Two – Manager/CEO, Phenix City Express will investigate the facts, as presented, develop additional facts, identify (where possible) the employee in question and determine what actually occurred.

Step Three – If the complaint has merit, Manager, Phenix City Express will counsel the appropriate employee and take the appropriate progressive disciplinary steps.

Step Four – Where applicable, Manager, Phenix City Express will respond to the individual filing the complaint within fifteen (15) business days. Depending on the desires of the individual and the nature of the complaint, this response may be either a telephone call (sufficiently documented) or a written response.

Step Five – For any egregious complaint, Manager, Phenix City Express will advise the Chief Executive Officer, Phenix City Express. A joint decision may be made to accelerate the disciplinary process or take other extraordinary actions to resolve the complaint.

Step Six – If the member of the public is not satisfied with actions taken locally or if they demand further action, these unresolved complaints will be referred to the Public Transportation Section of the Bureau of Multimodal Transportation, ALDOT in Montgomery. We will freely and promptly provide names, telephone numbers and addresses.

The entire issue of complaint resolution, whether it is one of our employees or a member of the public, is one of courtesy and common sense. We serve the public and they have a right to share their concerns with us. We will handle all complaints courteously and will not allow ourselves to “argue” about the merits of any complaint. In many instances, individuals merely want “to be heard”. We will give them that opportunity.
