The Lee and Russell County Rural Planning Organization
adopting the
Fiscal Year 2017 Work Program
as prepared by the Lee-Russell Council of Governments

WHEREAS, the Lee and Russell County Rural Planning Organization was established to serve as the decision-making body and to provide guidance to local governments in conducting the non-metropolitan cooperative planning process for portions of Lee and Russell counties in Alabama, pursuant to the requirements and provisions of Title 23, USC 134 and 135 (as amended by the FAST Act, Sections 1201 and 1202, December 4, 2015); and

WHEREAS, the Lee and Russell Rural Planning Organization (RPO) is interested in the continued development of the non-metropolitan transportation cooperative planning process as described in 23 CFR 450.210(b) through on-going public involvement and data collection of rural transportation needs in the aforementioned counties; and

WHEREAS, the Lee-Russell Council of Governments is serving as staff to the Rural Planning Organization and has prepared an FY 2017 Work Program outlining the tasks necessary to accomplish the goals of the cooperative planning process and the Rural Planning Organization; now

THEREFORE, BE IT RESOLVED on July 25, 2016 that the Lee and Russell County Rural Planning Organization (RPO) does adopt and endorse the FY 2017 Work Program as the guide for tasks to be completed for the cooperative planning process.

Lee and Russell Counties Rural Planning Organization (RPO) FY 2017 Work Program

1.0 Introduction

1.1 Purpose

The purpose of this document is to describe the work that will be performed by the Lee and Russell County Rural Planning Organization (RPO) in fiscal year 2017. The Rural Planning Organization is a rural transportation planning process in the areas of East Central Alabama (Lee and Russell counties) not represented by the Auburn Opelika County Metropolitan Planning Organization or the Columbus-Phenix City Metropolitan Planning Organization. The planning process will be a one-year cooperative program sponsored by the Alabama Department of Transportation (ALDOT) and the Lee-Russell Council of Governments.

1.2 Goals

The goals of the RPO are: 1) A well-managed rural transportation planning process; 2) an effective transportation committee structure; 3) a comprehensive data library and distribution source; 4) reports that are useful to ALDOT and the local governments; and 5) a well-informed public who actively participates in the rural transportation planning process.

1.3 Title VI Compliance

The Lee and Russell Counties Rural Planning Organization is committed to ensuring public participation in the development of all transportation plans and programs. It is the goal of the RPO that the transportation planning process be accessible, transparent, and inclusive. The RPO is and will be compliant with all Title VI programs, processes, and procedures including, but not limited to, 42 USC 2000d.

1.4 Format

The work program is divided into five tasks. The tasks outline the transportation planning work that will be performed by the staff at the Lee-Russell Council of Governments over the one-year period from October 1, 2016 to September 30, 2017 (fiscal year 2017). The description of each task includes the objective, proposed work, products, staffing, and schedule.
